Please note if you leave a car at Naples Square 3 when you are not in residence, the Association requires that you leave a spare set of car keys on file with the office. In the event that your car needs to be moved in your absence, for an emergency (i.e. hurricane, flood etc.) and/or access for any maintenance or repairs, etc., of any surrounding limited common areas, the Association can do so on your behalf.

If you do not want to leave a set of car keys with the Association, the other option would be to have a home watch/key holder service (or any other local contact person you may have), who could do this for you, in the event your car needs to be moved in your absence. Please provide their name and contact information for our file.

Only registered vehicles will be permitted in the garage. Non-registered vehicles may be towed at the owner's expense.
