Parking Garage Policy

The parking policies below are in the interest of providing equal opportunity for the parking facility for all owners.

Automobile Parking Policy

- Limit two (2) automobiles per unit in Parking Garage
 - One in reserved spot.
 - One in available unreserved (open) parking spot.
 - Owners with more than two autos must park extra vehicles outside.
- Electric Vehicles
 - Must be parked in unit owners authorized (reserved) parking spot.
 - Unit owner to install electrical power & socket with a separate electrical meter to segregate individual electricity usage from Association electricity usage.

Motorcycle Parking Policy

- Designated spots will be provided for Motorcycles where possible.
- Motorcycle parking will be identified by signage.
- It is the intention of the building to try and keep the valuable parking spaces open to vehicles.
- Designated Motorcycle spots can accommodate two motorcycles per space.

Bicycle Storage Policy

- Limit two (2) Bicycles per unit in bicycle racks.
- Extra Bicycles should be stored within individual owner storage locker.
- Bicycles must be registered & display an Association bicycle sticker.
- Unidentified Bicycles will be removed from racks and discarded.
